BY WEEK 6

What you'll be able to do

Manage the employee lifecycle

From hire to exit, keeping records clean and correct.

Fix the usual errors

Stuck approvals, wrong effective dates and missing data.

Support your team

Write job aids and guide colleagues as the go-to super user.

WHAT'S INCLUDED

- Live small-group classes, Mondays & Thursdays
- 2 months' access to a real SAP system
- Recordings of every session
- Super-user toolkit & job aids
- Tutor support between classes
- LWN certificate of completion
