ENROLLMENT

WHAT YOU'LL LEARN

- 01 Where Stories fits in the SF reporting landscape
- 02 Data sources: measures & dimensions from real HR data
- 03 Story canvas: charts, tables, KPIs & styling
- 04 Calculated measures, filters, ranking & top-N
- 05 Interactivity: cross-filters & drill-to-detail
- 06 Multi-page story design for executives vs. analysts
- 07 Sharing, scheduling & governance basics
- 08 Capstone: a real Story built around your own SF module

WHY THIS COURSE

Tailored to your module

Capstone built around a real question in your own SF module.

Priced to be a no-brainer

A fraction of comparable 40-hour SAP training elsewhere.

Present with confidence

Leave able to build a Story stakeholders actually trust.
